EB Provides Guidance on Filing of 2008 Annual

Customer Proprietary Network Information (CPNI) Certifications

Under 47 C.F.R. §64.2009(e)

EB Docket No. 06-36

In this Public Notice, the Enforcement Bureau (Bureau) responds to requests for guidance on the suggested

format and procedures for the filing of annual CPNI compliance certifications (CPNI Certifications) pursuant to 47

C.F.R. § 64.2009(e). CPNI Certifications must be filed annually between January 1 and March 1, in accordance

with the procedures outlined below.

Background. On April 2, 2007, the Commission released a Report and Order and Further Notice of Proposed Rulemaking in CC Docket No. 96-115 and WC Docket No. 04-36 (EPIC CPNI Order)¹ in which the

Commission strengthened its privacy rules, pursuant to section 222 of the Communications Act, as amended, by

adopting additional safeguards to protect CPNI against unauthorized access and disclosure.² One important change

to the existing CPNI rules adopted in the EPIC CPNI Order is the requirement that all companies subject to the

CPNI rules file annually, on or before March 1, a certification with the Commission pursuant to amended rule 47

C.F.R. § 64.2009(e).³ This collection has been approved by OMB under control number 30600715. Prior to the

2008 annual filings, the Bureau released a Public Notice providing a suggested template that filing entities

could use to meet the annual certification filing requirement.⁴

2 See 47 U.S.C. § 222.

3 47 C.F.R. § 64.2009(e) states: “A telecommunications carrier must have an officer, as an agent of the carrier, sign and file

with the Commission a compliance certificate on an annual basis. The officer must state in the certification that he or she has

personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the

rules in this subpart. The carrier must provide a statement accompanying the certification explaining how its operating

procedures ensure that it is or is not in compliance with the rules in this subpart. In addition, the carrier must include an

explanation of any actions taken against data brokers and a summary of all customer complaints received in the past year

concerning the unauthorized release of CPNI. This filing must be made annually with the Enforcement Bureau on or before

March 1 in EB Docket No. 06-36, for data pertaining to the previous calendar year.”
